

# Warranty Form

**MAC INDUSTRIES**  
BALLSCREW, SPINDLE, WORKHOLDING AND MACHINE SOLUTIONS

MAC INDUSTRIES fully warrants all equipment sent in for service for 2-years, from the date of installation all goods manufactured or supplied to the buyer are free from defects in workmanship or material and conform to the OEM's specification guide lines stated herein.

This limited warranty shall exist only upon the occurrence of the following events:

- (A) Reasonably possible and within ten (14) days after the buyer first determines the goods are defective;
  - (B) Returns the goods to MAC INDUSTRIES for inspection.
  - (C) MAC INDUSTRIES determines, to its reasonable satisfaction, that the goods have not been misused.
- Any warranty repairs include parts & labor to be the responsibility of our company.

This warranty does not cover customers downtime or damage through accident or misuse. There are no understandings, agreements, representations, or warranties, expressed or implied, including any regarding the suitability or fitness for a particular purpose specified herein, respecting the goods to this contract.

The contract states the entire obligation of MAC INDUSTRIES's warranty to be limited by replacing or repairing any goods that are proved to be defective, and MAC INDUSTRIES in no event shall have any liability to pay incidental or consequential damages, including without limitation, damages resulting from personal or bodily injury or death, or damages to, or loss of use of, any property.

MAC INDUSTRIES makes no warranty concerning the compliance of the goods with any local, state, or federal laws or regulations, including without proper limitation, electrical, building or other codes or requirements. Buyer agrees to accept full responsibility for complying with any regulations, code or requirements pertaining to the goods. MAC INDUSTRIES makes no warranty concerning, and does not assume in this or any other agreement, any obligation or liability in connection with patent infringements suits brought against buyer with respect to the goods subject hereto.
